ABOUT ARS LINGUAE

Ars Linguae is **linguistic-cultural center** with concept.

Ars Linguae is the linguistic and cultural center with the concept. At one site associated courses in foreign languages, different cultures and the art world with professionalism, kindness and imagination at the highest professional level.

We designed a language-training programs for children, adults, young in age and at heart, for businesses, individuals in these programs and listen to the wishes, needs and objectives of the parties.

Enter into Ars Linguae and you will meet children, students, artists, engineers, doctors, businessmen, Slovenes and foreigners ... seemingly very different people, the Ars Linguae became the center of where you want to meet, relaxed conquer Slovenian language skills, exchange impressions with the theater, test and learn about world cuisine.

Ars Linguae difference can be seen on arrival in:

- A personal approach
- Professional, friendly, dynamic, motivated team of lecturers,
- Small groups of students,
- Different method of work by Ars Linguae method for children and adults,
- Registering several times a year
- Efforts to make language learning accessible to all.

We expand our offer with new language programs.

Ars Linguae is not one person, but Ars Linguae entire team together with their students.

ABOUT SLOVENIAN language in ARS LINGUAE

Slovene language courses are suitable for foreigners, who want to learn Slovenian as a second or foreign language. Learning Slovene is most effective when linked to understanding the contemporary cultural images of Slovenia.

Courses are divided into four levels of general language in the elementary level, four levels of mid-level and four levels high. We can also prepare for the exam for the Slovenian language as a second / foreign language at primary, intermediate and advanced levels, where you also teach examiners and assessors exam in Slovene as a second / foreign language. Their knowledge of Slovenian can consolidate and
